Subject: Appointment to the MDE Air Quality Control Advisory Council.... (meeting information)  
Importance: High

**\*\* High Priority \*\***

Congratulations! MDE Secretary Philbrick has officially appointed you as a member of the Air Quality Control Advisory Council (AQCAC). Your letter, appointment certificate and information packet are being mailed to you today. The Department appreciates your willingness to serve on AQCAC and looks forward to your input on our air quality regulations.

The next meeting of the Council is scheduled for January 11, 2006 at 8:30 a.m. The meeting will be held here at MDE. More details (agenda, background material, directions, etc.) will be sent to you in the beginning of January. Attached to this email FYI is a listing of current members and a "Facts About Sheet".

I apologize for the very late notice, but, as an FYI and if you are available ..... during its November 28 2005 meeting, AQCAC developed a workgroup to further discuss the upcoming Maryland Clean Power Rule, which will be on the agenda for the January 11th meeting. The workgroup met last Thursday and is meeting again tomorrow @8:00 a.m. at MDE in the Gunpowder Falls Conference Room (4th floor). This workgroup meeting is INFORMATIONAL only and attendance by the members/other interested parties is completely voluntary. It is more of an educational session. There are not actions items and nothing will be voted on at this meeting.

You are welcome to attend, if your schedule allows. Diane Franks will be calling you this afternoon to make sure that you are aware of this meeting and give you further information if you should need it.

Welcome to AQCAC and again, I apologize for the short notice of the workgroup meeting. Please feel free to contact me if you should have any questions or require additional information.

Regards,  
Diane Nelson  
AQCAC Secretary
